## Oscar likes 'Dreamgirls' -- sorta

The Beauty of the penny stock arena is that issues appreciate so fast!  
A bit of inside info and returns of 1000% are not unheard of. We are  
bringing you what is HOT right now.

Weekly blitz has started. Millions of people will read  
this message today. Guess what will happen next couple days. Did you end your papertrade already  
?Time to try it on real.

With profitable deals in China, American Unity  
Investments (AUNI-OTC-BB) is exactly where you want to be.

Currently trading at around 16 cents, AUNI^OB is firing up a massive  
publicity blitz to showcase their successful dealings in China.

We are looking at this one shooting up to the \$1.00 mark once results are  
released and the advancement officially begins (several days)!

Growth projected 81.2% up.

Wednesday expectations around + 43% +0.07(0.23) at least and +87.5% +0.14(0.30) at most (not bad).  
You know that we know something new. Look at monday result - it rise already - was 0.08 now 0.168.
