Try out for a part in a 'Western' film Wysing Arts Centre has commissioned from artist **Shezad Dawood**. On the 15 and 16 September, Wysing's site will be transformed into a *Western* film-set complete with super-sized painted backdrops, mineshafts, an 'Indian settlement' and Wagons.

Come along and try-out for the production and if you have your own *Western* clothes, come along in costume.

Casting sessions are aimed at adults, although the event is suitable for all ages with FREE drop in children's workshops. *Dress up and bring a picnic !*
