## **2008 Great Lakes Anarchist Gathering**

### **June 6,7, and 8th in Toledo, Ohio.**

This is going to be an important event due to its proximity, both geographically and chronologically, to the Republican National Convention in September. With the GLAG taking place in June and the RNC in September, it will provide three month window for those in attendance to take advantage of the skills learned and share any plans made with those unable to attend.

We'll be building on the progress made over the last year and a half in bringing the Midwest/Great Lakes region anarchist communities together and strengthening the Midwest Action Network. It will also be a good chance to make solidify MAN's plans for the upcoming RNC.

Planning and preparation for the event is still in progress. So far we have several groups and individuals on board, including Floyd Cochran, who will be doing his Eye On Hate radio broadcast from the event. We're looking for all the help and ideas we can get at this point. Please share them with us here and through our email at [typea@riseup.net](mailto:typea@riseup.net) or the October Fifteenth Anarchist Collective at [october15ac@hotmail.com](mailto:october15ac@hotmail.com).
