Support Lowell 'Spirit' Grant in Court Tomorrow Morning - Mon 22 September

ByBen

Please come to Clerkenwell County Court tomorrow morning to show solidarity with Lowell Spirit Grant.

Spirit is being taken to court by the overseas developers who bought his place from Hackney Council for a song and who now want to evict him, allegedly because of outstanding rent arrears.

Please come along to the court at 9.30 a.m. tomorrow morning - the hearing starts at 10 but we need to be outside to show that Spirit has lots of support.

The Gee Street Courthouse 29 - 41 Gee Street EC1V 3RE
