## 'The Anomalous Wave Rebellion in Italy' pamphlet

Some people at 56a Infoshop have put together a pamphlet detailing some history and analysis of the ongoing Italian Anomalous Wave rebellion. The 16 page pamphlet also goes into an analysis of the movement. We highly recommend people to read it, copy it, email it out to encourage solidarity with the Italian Wave but to also inspire people in the UK to act. Download it below.

We have 400 printed copies to give away. Come to the 56a Infoshop and pick up 1, 10, 100 and get them out there!

There is also a Greek language version available here:
