# **SPECIAL SECTION: (UN)REGENERATE ART**

ByMute editorial

A special section exploring the complicity, and potential oppositionality, of art in neoliberal urbanism

Special section on urban 'regeneration' and art, including:

- > Simon Pope sets some new co-ordinates, and salvages some old ones, for locative art
- > Gregory Sholette on artist's collective REPOhistory and urban renewal in New York
- > Mark Crinson on artists working with collective memory and the post-industrial city
