[Mute-social] [vo_news-l] Open Season Archives Available Now

Dear NODE.L Voluntary Organisers, Subscribers and Nodes of all Kinds -

Although I have posted about the WSFII documentation archives to the WSFII discussion list and to the SMAL forum when they were ready (thanks go to Saul Albert, Antonio Pena, Antony Iles, Luci Eyers and Atty), it looks like Open Congress' extensive archive is finally ready and publicly accessible, thanks to the indefatigable labour of Open Congress's (and NODE.L VO) Corrado Morgana and NODE.L VO and Tate Webcasting Curator Kelli Dipple.
