deptford.tv workshop 1, 3-4 March, Deptford regeneration hell

URL:

www.deptford.tv

Deptford.tv is an audio-visual documentation of the regeneration process of the Deptford area in collaboration with SPC.org media lab, Bitnik.org, the Boundless.coop, Liquid Culture and Goldsmiths College.

workshop #1: TV hacking

at dek.spc.org

Friday 3rd March, 11AM - 5PM

Saturday 4th March, 11AM - 5PM

what?

the audiovisual documentation of the regeneration process of the Deptford area, South East London. a/v footage will be made available on the deptford.tv database and distributed over the boundless.coop wireless network under an open content license.

all these workshops will allow you to assemble video footage, brainstorm ideas, meet likeminded people, and get insights into collaborative filmmaking practices.

how?

workshops are free, but places are limited. to book please email [a.hadzi\(at\)gold.ac.uk](mailto:a.hadzi@gold.ac.uk) and state which workshops you want to attend.

equipment will only be available during the 3 workshops, so if you want to learn through using your own a/v equipment, please bring your own! (laptops, mini DV cameras, digital cameras...) with taking in the workshop you agree that the footage and work produced during the workshop will be distributed over an open content license.
