MARCHING PLAGUE - Critical Art Ensemble

29 July 2006

ICA, London, UK

Event and panel discussion accompanying screening of Critical Art Ensemble's new film, commissioned by The Arts Catalyst, which centres on the recreation of sea trials conducted by the UK government in the 1950s as part of a programme of bioweapons research.

MARCHING PLAGUE is also showing at:

To 28 May 2006, Whitney Biennale, New York, USA

30 May 2006, Lewis Film Society, Stornoway, Isle of Lewis, Scotland

To 1 October 2006, The Culture of Fear, Halle 14, Leipzig, Germany
