oct/nov2006

photomonth takes place during October and November 2006 with over 50 exhibitions and events in 35 galleries and spaces in East London.

Each show is timed to be part of photomonth with leading practitioners and theorists providing a public focus on photography.

photomonth features fotofeaston 3,4,5 November- East London's Contemporary Photography Fair offering the opportunity to buy original prints from emerging and established photographers at the Old Truman Brewery on Brick Lane.
