alison gerber

<working group>

parallel openings: saturday, 25.11.2006, 20.30h

the openings take place on the occasion of the innsbruck premierentage. www.premierentage.at

in a retrospective show katja eydel presents works on the contiguity of ideology and space from the years 1998-2006.

laura garbstiene presents a new photo-installation: the artist thinking about possible meeting with miraculous unicorn while posing for photographer in the alpine woods...

alison gerber presents in a new installation detritus from an imagined working group and the fruits of their labor. gerber draws on the aesthetics of the social sciences in an exploration of positivism and the place of the arts in a federated society.
