20 February 2007

One of the world's most famous urban historians and author of the seminal *City of Quartz* and the new book *Buda's Wagon: A Brief History of the Car Bomb*, Mike Davis comes to the ICA to deliver the Isaac Deutscher Centenary Lecture. In the spirit of Deutscher, who was an inspiration to the New Left, Davis will analyse the development of the New Left since the 1960s and trace both its impact and its cultural legacy.

£10 / £9 Concessions / £8 ICA Members.
