[mnp] Lint by Steve Aylett. Book.

LINT

Jeff Lint was author of some of the strangest and most inventive satirical SF of the twentieth century. He transcended genre in classics such as *Jelly Result* and *The Stupid Conversation*, becoming a cult figure and pariah. Like his contemporary Philip K. Dick, he was blithely ahead of his time.

Aylett follows Lint through his Beat days; his immersion in pulp SF, psychedelia and resentment; his disastrous scripts for *Star Trek* and *Patton*; the controversies of *The Caterer* comic and the scariest kids' cartoon ever aired; and his belated Hollywood success in the 1990s. It was a career haunted by death, including the undetected death of his agent, the suspicious death of his rival Herzog, and the unshakable "Lint is dead" rumors, which persisted even after his death.
