## RADICAL THINKERS

"A golden treasury of theory" \*Eric Banks, /Bookforum /\*

"Verso's beautifully designed /Radical Thinkers/ series, which brings together seminal works by leading left-wing intellectuals, is a sophisticated blend of theory and thought. The 12 authors whose writings are included in the series have worked tirelessly to expose the mechanisms by which culture and knowledge are manufactured, managed and controlled." \*Ziauddin Sardar, /New Statesman/\*
