The *Mute* magazine print archive has its first release for sale as an original, limited edition set of all fifty-one issues of the print versions of the magazine, covering twenty years of publishing from 1994 to 2014.

The *Mute* magazine print archive comes as a twenty kilo professional-standard archive box. All copies are in pristine condition, and the box contains a full inventory from Mute Publishing.

This is the first time the full *Mute* magazine print archive has been made available for sale; the set therefore includes two issues that were heretofore unavailable and have been reprinted in full (Mute Vol 1, No. 9, Sept 1997 and Mute Vol 1, No. 29 – The Precarious Issue, Feb 2005).

The *Mute* magazine print archive offer is being limited to one hundred and ten sets, on account of the costs of production of these new issues, and the ability to make full sets from other remaining issues.

Price £1600 (VAT exempt), plus courier shipping and carriage insurance, (UK and Germany £88, Rest of Europe £139, Rest of World £239).
